

Greetings from Crystal Springs,

Week five of the Family Ministries School is currently underway, and a Pursuits DTS consisting of around 28 students will be kicking off this weekend.

The current FTDS consists of students from Sweden and Korea, and due to the small number of students on this school we have opened the seminars to past students, staff, and members of the local community.

We are also operating a Marriage Seminar Weekend here on base, as well as an Easter Family Camp. If you have not received information regarding these or our open seminars and are interested please feel free to contact Shane at reception@ywam-familymin.org.nz

Facility

The Gap, which is the multi-purpose room used by Pursuits students, has seen some improvements of late with more changes to come:

Mobile Missions Maintenance and Mission Builders International have also been working hard in recent history improving our staff and student accommodation by painting, pouring concrete footpaths, etc.

Prayer Needs

- Leadership and staff always appreciate prayer for wisdom, leadership, health, finances
- Please continue praying for Pursuits Director Bill Henwood and his battle with Multiple Myeloma
- For God's provision of the necessary people to fill openings on our staff roster
