

Merry Christmas from the YWAM Family Ministries team!

Greetings from Crystal Springs!

Summer has arrived with a bang! Base life has been slow but steady with the one Pursuits school in. Our August Family Ministries School has finished and outreach teams were sent out to both India and Samoa, both with good reports returning back to us. Both teams will be arriving home in NZ on the 29th November with the Pursuits leaving that same day to India and Fiji.

The new additions to our family here at Crystal Springs. A garden to border our office block, and a Pool table, kindly given to us by a staff member's relatives.

[Bill Henwood and his fight with Multiple Myeloma](#)

Thank you for all your prayers over the last 5 weeks. They are well appreciated. Bill has recently undergone a bone marrow transplant on the 3rd of September. The surgery was a success. Your continued prayers will be greatly appreciated.

Where did the kitchen go?

A new floor for the kitchen has been planned to go in early December. In order to do this, everything from the kitchen (stoves, dishwashers, benches etc) will need to be removed so that the room is completely empty, allowing the workers space to work.

This picture may look familiar to some of you. On February 14th Crystal Springs will be holding a celebration to dedicate the buildings on base and to honour and farewell Albert and Janet Jupe. Anybody wishing to come, please contact the base office.

Prayer Needs
